To be read in conjunction with the Group's Risk Assessment

## FIELD TRIP Thursday 22nd October 2026

|                                               |                                                                                                                                                                                                                            |
|-----------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>DAY AND DATE</b>                           | Thursday 22nd October 2026                                                                                                                                                                                                 |
| <b>TITLE OF EVENT</b>                         | A photography walk around quieter Padstow (I hope!)                                                                                                                                                                        |
| <b>BOOKING ESSENTIAL (Y/N)</b>                | No                                                                                                                                                                                                                         |
| <b>LOCATION</b>                               | Padstow Town                                                                                                                                                                                                               |
| <b>CAR PARKING/ ENTRANCE FEE</b>              | Rock Quarry Car Park What3words - crank.riskiest.pram Tariffs £1.50 for 1 hour - £5.00 for 4 hours<br>Padstow to Rock Ferry Adult single fare £3.00<br>Town council Car Parks' tariff £1.80 for 1 hour - £6.90 for 4 hours |
| <b>TIME OF START AND FINISH</b>               | 10.00 am at Rock Quarry Car Park or 10.30 in Padstow at Greens of Padstow                                                                                                                                                  |
| <b>MEETING POINT</b>                          | Rock Quarry Car Park<br>And for coffee and cake at:<br>Greens of Padstow cafe (above the white shelter on the North Quay. What3words adventure.encourage.standards)                                                        |
| <b>INFORMATION ON MAIN POINTS OF INTEREST</b> | This is a walk of about 1.5 miles around Style Field to the War Memorial and then to the Elizabethan manor house of Prideaux Place with its Deer Park before descending to the medieval church and lanes of the old town.  |
| <b>REFRESHMENTS</b>                           | A variety of cafes and public toilets                                                                                                                                                                                      |
| <b>NAME OF LEADER(S)</b>                      | Steph Thomas mobile: 07980871491                                                                                                                                                                                           |
| <b>ORGANISATION</b>                           | Photography Group - Lostwithiel Area u3a                                                                                                                                                                                   |
| <b>DISABLED ACCESS (Y/N)</b>                  | Yes but some long slopes and although mostly on tarmac surfaces there is some uneven ground.                                                                                                                               |
