

Rhythm of the Rain

INTRO: C Am C G7

C Listen to the rhythm of the falling rain
 C Telling me just what a fool I've been
 C I wish that it would go and let me cry in vain
 C And let me be a-lone a-gain

* * C The only girl I care about has gone away, F looking for a brand new G7 start
 C But little does she know that when she left that day
 C A-long with her she took my heart

F Rain please tell me now does that seem fair
 F For her to steal my heart away when she don't care
 Am I can't love another when my heart's some-where far a-way

C The only girl I care about has gone away, F looking for a brand new G7 start
 C But little does she know that when she left that day
 C A-long with her she took my heart
